Nomination deadline extended for District Governor for the Rotary Year 2010-2011

This is the official announcement, as requested in our district bylaws, requesting nominations for District Governor for the Rotary Year 2010-2011. Please forward or make this announcement to members of your Rotary club thus providing them with the opportunity to submit an application to the Chairman of the District Nominating Committee

Richard A. Foster, PDG

Chairman - District 5470 Nominating Committee

2805 Old Broadmoor Road

Colorado Springs, CO 80906

E-mail: RAFROADMOOR1@aol.com

Phone & FAX: (719) 576-4375

Completed Nominee Data Form must be at Dick Foster's by Sept 31st.

The nominating committee will meet to interview nominees and their spouses on Friday afternoon 12 October 2007 in conjunction with the District Conference in Durango, Colorado. Both the nominee and the nominee's spouse are expected to be present for the interview.

Appointment times and place for the interviews will be provided to the nominees and nominating committee members prior to the district conference. The nominee selected by the nominating committee will be announced at a plenary session during the conference.

Qualifications and duties can be found in the By-Laws of Rotary International listed in Articles 15.070 - 15.090 (pages 223-224) of the "RI Manual of Procedure".

DISTRICT GOVERNOR'S MINUTE

Greetings Fellow Rotarians:

We've been on the road now for almost two months and I've got to say that meeting the many inspired Rotarians within our District is the best part of the 'job' as District Governor. Daily we meet many devoted and caring people who exemplify this year's theme Rotary Shares.

The month of October is full of opportunities for both experienced and new Rotarians.

October 12-14: District Conference. We hope you will join us for the planned activities on Friday and participate in the breakout sessions on Saturday. The breakout sessions will provide a unique opportunity to learn more about our Rotary Foundation, hear from and visit with both Group Study Exchange (GSE) teams, listen to an educational specialist de-mystify the 'next' generation and learn about managing change in the workplace.

Also, visit with Rotary Youth Exchange students just arrived from all over the world, the GSE team from India, our District's GSE team who recently returned from the Czech Republic/Slovakia, and be inspired by President Wilkinson's Representative PDG Geri Appel. Our keynote speaker, Past Rotary International President, Frank Devlyn, will be of particular interest. He will speak on the expansion of Rotary's influence throughout the world. He is always a crowd pleaser and we are thrilled to have him share his viewpoint with you.

October 25-27: Tri-District Projects Fair. If you want to participate in an international project with our neighbors south of the border, come over to Pueblo, where Pueblo Rotarians Bill Hendren, Frank Sobilik and other Rotarians from the Pueblo area are planning a fantastic weekend for us. Meet Rotarians from around our District, New Mexico and some of the northern states in old Mexico. Take the opportunity to learn how to complete a Matching Grant, find a project to sponsor, and enjoy great food!

October is Vocational Service Month and is an opportunity to begin yearlong vocational service activities, ranging from Rotary discussions to awards to community projects. Here are a few ideas to help your club celebrate:

- Devote the first meeting in October to examining the second Avenue of Service, including The 4-Way Test and the Declaration of Rotarians in Business and the Professions.
- Introduce a "mini-classifications talk" series in which each member gives a five-minute talk on his or her vocation.
- Present a vocational award to someone in the community who has exemplified outstanding professional achievement while maintaining very high ethical standards.

Always,

Jan

Meeting Make-up

One of the many benefits of Rotary Club membership is the luxury of being able to travel the world and never miss a weekly meeting. Club members are welcome and encouraged to visit clubs while traveling to make-up the meeting missed back home.

Another option is to attend a regular meeting of a local Rotaract or Interact club, Rotary Community Corps, or Rotary Fellowship. According to Article VIII, Section 1a of the Standard Rotary Club Constitution, attending one of these meetings counts as a make-up.

What's New on the Web Site

submitted by Paul McLain

There is always something new or changing on the District Web Site. To help you find some of the [What's New](#) , a place has been created where you can make a quick check to see what has been added or changed. Since there are many editors of the District 5470 Web Site, not all worthy items for [What's New](#) are added to this feature.

Attention Web Editors, when you have a change to your area that you would like to highlight in the [What's New](#) area, please contact the District Web Master.

So [What's New](#) is for you too!

Two LaJunta Rotarians contribute to Clean-Up

submitted by Frank McKenzie

In the days immediately after the Holly Tornado it was difficult to determine what would be of most help to the town and its residents. As the larger organizations geared up and moved to provide food, shelter and utilities many just wanted to help any way they could.

Two La Junta Rotarians spent a day with many others helping in the clean up. After registering with the local coordinator they asked "where do we go and who do we report to." They were shown a map of the damaged area and told just to pick a spot and go to work. For a day with a truck and trailer they moved as many tree limbs as a couple old guys could. Many more made bigger contributions with larger crews and equipment but it felt good to help our and be part of something important.

District Web Site now includes a FORUM

submitted by Paul McLain

What's a [FORUM](#)? This is what the younger folks in Rotary call a BLOG. It provides a structured place where anyone can ask Questions, give Answers, promote Ideas, and reach the clients of our Rotary Web Site.

We are hopeful that you will use the [FORUM](#) to benefit your experience in Rotary. In the process we hope you will benefit the experience of others. All are welcome!

As I recall from my Latin Classes, way back when,

The [FORUM](#) was the place where the Senators of Rome would discuss the activities of Empire. Well here is your chance to act like a member of the "Ruling Class". You can have your say so, so to speak.

The [FORUM](#) can be monitored and edited by any of our current Nine Administrators. Yes, there are some controls applied to the [FORUM](#). If "inappropriate material" is posted the Administrators have the responsibility to "take it down."

Who are the Administrators of the Web Site including the [FORUM](#) ? They include the District Governor, PDG, DGE, DGEN, HDG, the District Secretary and the Web Site Staff.

Grand Junction Rotary Club Presents
Masquerade
2007

The Downtown Grand Junction Rotary Club's Masquerade ball is in its second year. Last year, this "Gala on Steroids" raised \$30,000 for the Drug Endangered Children's fund. Masquerade is a costume ball featuring a smoke-breathing dragon, magic show, comedian, a live band and more! Food choices including "martini-glass chicken", sushi and more are included as is wine and beer.

ROTARY YOUTH EXCHANGE ANNOUNCEMENT

It's time to get information about Rotary Youth Exchange into the schools in your area of District 5470 and for each club to think about interview schedules for candidates BEFORE October 31 when applications are due to Chair Marilyn Branch.

Information has been sent out to all Youth Exchange Officers on record as well as to Club Presidents regarding the application procedures, how to get into the schools and how to publicize the availability locally. We have a new application this year and a writeable pdf is available at www.rotary.org or directly from Marilyn at her e-mail address, branchm@telluridecolorado.net. Don't let kids in your local high schools miss this amazing opportunity to study abroad under the auspices of the Rotary Youth Exchange Program. You can also call Marilyn at 970-708-2202 with any questions.

130th annual Melon Pile at the Arkansas Valley Fair A Rocky Ford Rotary Club tradition since 1945

submitted by J.R. Thompson

Since 1945, Rocky Ford Rotary Club has been in charge of the Melon Pile. On Saturday, Aug. 18, 2007, Rotarians were hard at work putting smiles on young children's faces at the 130th annual Melon Pile at the Arkansas Valley Fair.

The Rotary Club is responsible for soliciting donations, contracting with local growers, arranging with Colorado National Guard to haul the melons, and passing them out free to all comers.

This year, they gave away over 20,000 lbs. of famous Rocky Ford watermelons.

Rocky Ford Rotarians, in the yellow shirts, in the photo include, left to right, Dave Miller, Eric Wu (our new inbound Rotary Youth Exchange Student from Taiwan) and PDG Laura Thompson.

The mission of The Rotary Foundation is to support the efforts of Rotary International in the fulfillment of the Object of Rotary, Rotary's mission, and the achievement of world understanding and peace through local, national, and international humanitarian, educational, and cultural programs.

SILENT AUCTION ITEMS NEED

John and Pam Patton are delighted to help all of our district's clubs have great fun, and make money for our clubs and Rotary projects. Please pass our names and email on to your clubs. Contact information: patton@wildblue.net or by phone at 970-884-2206. We look forward to a dynamite silent auction!

A few Silent Auction Ideas

- “package” a certificate for lodging, a restaurant certificate, or tickets to a special event in your community
- Showcase your communities' best products with a gift basket (wine from Grand Junction, San Luis Valley potatoes --- you get the idea!)
- Do you have a sports celebrity in your town? Autographed sports memorabilia are HOT!
- Art is smart!
- Perhaps a spa and lodging package? Or Ski tickets and lodging?
- Bring several great items and plan on taking home cash for your club plus helping your district!

MARKET YOUR PROJECTS

This year's House of Friendship is a wonderful time to let everyone else know what your clubs are accomplishing in International projects, Community projects, sample club newsletters, public relations, Youth services, Vocational services, the last phases of Centennial Projects, future plans, current challenges and how you plan to resolve them, and to brag about opportunities you are seeing in your community to make Rotary relevant to your town and your members.

Displays aren't difficult to create. Find some poster board or “science fair project displays” at your local office supply store or big box general merchandise retailer (read ‘Wal Mart’). Get someone to print out your pictures and reports. Buy a plastic brochure rack for \$5. Tape charts, graphics, pictures, headlines and other items on your display. Run the small DVD player (let me know if you need a cord or power supply) or data projector and computer. Have a member staff your presentation. Offer coupons or “deals” if you are selling something. (And, if you are selling something, be sure to get in touch with the Patton's to offer a silent auction item!)

AGs, please forward this information to your presidents, secretaries, and club membership personnel for distribution to the membership. All the great ideas we see at the House of Friendship might become another club's bright idea for their town, too. Let's spread the wealth of creativity and passion for Rotary!

Jim Reser is the Chair for this year's House of Friendship – we need great displays showing off our District's many great club sponsored projects. Contact Jim at jim@profitdevelop.com or 970.759.8889

John Francis is the Conference Chair and can answer any other questions you might have about the Conference. Don't hesitate to contact him with any questions or concerns. John.r.francis@wellsfargo.net or 970.385.1515.
